- Captains post a copy to the Whats App group

Notes

- The Home Team Captain must make their pairings and decide their playing order prior to receiving Away Team pairings. Whilst there is no way to police Home Captains manipulating their pairings to obtain advantage, we hope all will embrace the spirit of the game of golf in which this league was formed
- Whilst steps 1 -5 will be completed prior to the day of the match, Handicap Index must be checked/confirmed on the morning of the match especially if it is known that a player has played in a qualifying event the day before
- Following the conclusion of the Fixture, if the calculation of a Playing Handicap or shot allowance is found to be incorrect, the match result will stand
- If Home Club is using a winter course, or have more than one course available, please confirm with the away captain, the Course Rating table to be used
- If the HI has changed, the CH/PH and shot allowance must be recalculated
- The match day contact is the player who is looking after the team on the day of the match
